## **Banning First!**

(BANNING, California) – Over the last month, the citizens of Banning have participated in community focus group meetings to exchange ideas aimed at creating an improved community and express their thoughts about the future of the City. Those who attended expressed opinions on things that they would like to see happen in their City in order to make Banning a better place to live, work, and play.

If you were not able to attend one of the community focus group meetings, please take a moment to express your opinions on the “Banning First!” Strategic Planning Survey. Make sure your voice is included! The link to the survey is available at <http://goo.gl/forms/ixv3oGVdsC>. All answers will remain completely anonymous and confidential.

For more information please call (951) 922-4860.
